VIGILANTS LOOK GOOD.

The Vigilant football team has taken a new lease on life since the game with Georgetown last Saturday. The game was a benefit to the Vigilants, scientifically, as well as financially, and its games at the Capital City League Park, North Capitol and L streets northeast, each Sunday, should be well patronized by the sport-loving public. They have played the strongest independent teams obtainable and have been victorious in every game they have played in the last three years. This speaks very well for them, and means that they have been putting up a great article of football, although generally outwitted from ten to thirty pounds to the man. They play the 1400 Coast Artillery Corps of Fort Washington this Sunday at 3 o'clock. This is another game where they will be outwitted, but their better experience should bring them victory.

GEORGETOWN READY FOR THE BIG BATTLE

Hilltoppers Have Final Practice for Game.

ALL ARE IN GOOD SHAPE

Blue and Gray Will Start Annual Fray in Fine Condition—Arrangements Are Completed for Handling Largest Crowd That Ever Witnessed Game at Hilltop.

Georgetown's regular practice for the Virginia game was concluded yesterday afternoon. The men spent nearly three hours on the field, during which time a drill in every element of the sport with the exception of scrimmaging was rehearsed. Rudimentary tactics were gone over with as much seriousness and hard work as the plays which the students expect will bring the Blue and Gray colors to the front to-morrow.

This afternoon a short signal drill will be the order, after which the men will go to their dressing rooms and receive the final instructions from Nielsen. It is also probable that many of the Georgetown football stars of the past will be on hand this afternoon to give some advice to the present representatives. To-night a mass meeting of the students of the college department will be held in Garton Hall, at which gathering the players will be the honored guests. Speeches will be made by alumni members and cheers and songs will be rendered by the students. A mass meeting will take place at the law school, and it is expected that it will prove one of the most enthusiastic assemblies that has ever been witnessed in the downtown department.

Manager Walsh will have almost every arrangement for the handling of the large crowd completed this afternoon. Washington never looked forward to the Georgetown-Virginia game with more interest and enthusiasm as it has this year, consequently there should be a record attendance.

YALE ELEVEN IS PICKED FOR GAME

Capt. Howe Satisfied with Present Line-up.

New Haven, Conn., Nov. 16.—Yale's eleven is likely to start the game against Princeton Saturday as lined up to-day, said Captain Arthur Howe this evening. There was no change in the playing order and the team is exactly the same as that which played Brown last week, with the exception that Jesse Spaulding has resumed his position at right half back.

There was no scrimmage to-day and the team will rest until the clash Saturday. The referee will be Mr. S. C. Sargent. A half hour of signal drill followed by kicking practice. Tod Coy lifted the ball seventy yards repeatedly in putting to the board, and he distanced Capt. Howe and Walter Camp, who will do the kicking in Saturday's battle.

Substitutes will be used extensively in the battle with the Tigers, but the team will go into the fray as follows: Left end, Avery; left tackle, Scully; left guard, Francis; center, Ketchum; right guard, McDewitt; right tackle, Paul; right end, Bomer; quarter back, Capt. Howe; half back, Spaulding; full back, Dunn.

GOAL SHOOTERS MEET

The Washington City Basketball League held a meeting last night in the Y. M. C. A., at which time many important matters were discussed and the formal completion of both Class A and Class B was in order. In Class A there will be seven teams, namely, Y. M. C. A., Epiphany, Carroll Institute, Memorial, Yankees, Ingram, and Rosedale. Class B will be composed of the Rebels, Carroll Institute, Reserves, Y. M. C. A. Reserves, Epiphany Reserves, Rosedale Reserves, and Memorial Reserves. The weight limit in Class B has been fixed at 140 pounds.

The game scheduled for Saturday night between the Epiphany quint and the Ingram five has been indefinitely postponed by the request of the Epiphany manager. The Rosedale will meet the Ingram five on December 14, instead of the 15th, as scheduled. Following are the lists of the Yankees, Rebels, and Memorial Reserves.

Yankees—Rutherford, Samuels, Mason, Schwager, and McGowan.
Rebels—Kintz, Shaffer, Calloway, Ford, Anthony, William, Meaney, and Stead.

HICKEY THE WINNER

Ed Hickey defeated H. Underwood in the final game of their three-underwood billiard match last night at the Royal Billiard Parlor, the score being 50 to 30. The total score of the two nights' play was 100 to 72. The winner played a very brilliant game, making a high run of five and executing several other difficult shots that were greatly applauded by the large audience that witnessed the contest.

Service Team Challenges

The manager of the Engineer football team of Washington Barracks, D. C., would like to arrange for a game to be played on their grounds, Sunday, November 26, 1911, with any team in or around the District. Vigilants preferred, game can be arranged by writing the manager, or "phone Main 611.

VIRGINIA PRIMED FOR BLUE AND GRAY

Eleven Has Signal Final Drill for Fray.

WILL ARRIVE HERE TO-NIGHT

Orange and Blue Squad, Forty Strong, Due to Be in Town To-night—Student Body Will Arrive To-morrow Morning—Annual March Up Avenue the Order.

Special to The Washington Herald. Charlottesville, Va., Nov. 16.—Signal practice was the order for the University of Virginia football squad on Lambeth Field here this afternoon. The entire squad took part in the final work-out in preparation for the big game with Georgetown in Washington Saturday. There is a strong feeling of confidence in the ability of the varsity eleven to triumph over their ancient rivals from the Capital City.

The Virginia team, about forty strong, will leave here this afternoon shortly before 4 o'clock over the Southern Railroad for Washington. They are due to arrive about 7 P. M., and will be taken direct to the Arlington Hotel, where they will be quartered during their stay in Washington.

To-night the student body will hold a big rally at the corner, which, it is claimed, will surpass anything of the kind attempted in many years. An elaborate display of fireworks and a grand march through Charlottesville are two important features of the program. To-morrow morning a special train will convey the Virginia rosters, about 600 strong, to Washington. The men will arrive in Washington shortly before noon, and after assembling at the Peace Monument will start the annual march up Pennsylvania avenue, headed by the famous Stonewall Band, that has been engaged to add festivity to Virginia's end of the event.

Efforts were made by the student body to have Saturday declared a general holiday, and all classes suspended for the day, but without success. Nevertheless, this will not interfere with the proposed trip of at least 500 students.

Virginia After 'Country' Morris

It was learned last night that the University of Virginia is hot on the trail of "Country" Morris, and it is more than likely that the speedy Tech athlete will wear the orange and blue next Saturday. It is reported that Dr. Lambeth is in the city and had a conference with Morris yesterday.

REPORT DENIED.

Central Not Penalized Nine Times in Gallaudet Reserves Game.

The report that Central was penalized nine times in the game with the Gallaudet Reserves Wednesday is not true, according to a Gallaudet student, as the following penalties will show. These penalties are all that were imposed during the game, both on Central and Reserves. He adds:

"The Buff and Blue youngsters put up a hard game, and were handicapped by the wet field, which made the execution of many tricky plays impossible. Central won the game by playing better football, but the reports that the Gallaudet youngsters were not penalized nine times are recorded by an impartial witness of the battle."

Central High School, Second quarter—Back called back on down play by left tackle, and left end, and point to be gained remaining game.

Third quarter—A touchdown disallowed on Capt. Hamilton's hurdling, 15 yards penalty from spot. See Rule XXIV, section 4, page 116.

Fourth quarter—15-yard penalty for very clear holding of Capt. Farquhar by Quarter Back McDonough when C. H. S. fumbled, 5-yard penalty; off-side. To-day.

By GEORGE B. MORRIS.

Marlboro, Md., Nov. 16.—Bright, crisp weather and an attractive crowd proved a magnet that attracted a large crowd to-day, who witnessed some spirited racing. The track was still heavy, but nevertheless the racing was interesting and the finishes close.

Billy Hancock, the well-played choice, won the opening race for nonwinners at the meeting with Lesbos second, and Shreve third. Donation found a spot in the second race, and won handsily from Leon B. Gold Check, the favorite, was away tangled up, but managed to be third. Judge Howell was the medium of large-sized coup in the third, and won by a head in a drive with Steelcliff, with Dr. Tress's Bony a close third.

Susan, backed from 5 to 4 to 5, galloped all the way in the fourth. George (H. Hall) was second, and Hibernia third. The start in this race was delayed for quite a while, owing to the crazy antics of New Star, and the field was dispatched without him; his entry will be refused for the balance of the meeting.

Tippy was the first of Carson's daily dual winners, winning by a length from Oakley, who was a head in front of the field. Shillah, 12 (Gordon), 4 to 5, second. Keran, T. B. Spers, and How about You also ran.

FIRST RACE—Two-year-olds; four and a half furlongs. Billy Hancock, 12 (Bergen), 3 to 1; won; Shillah, 12 (Gordon), 4 to 5, second; Hibernia, 12 (Gordon), 5 to 1, third. Time, 1:20.54. Nora Girl, Christmas Day, and Pussie also ran.

SIXTH RACE—Three-year-olds and upward; one and one-half miles. Hensley, 5 (Amherst), 3 to 1; won; Lady McGowan, 2 to 1, second; Nellie Shapiro, 10 (Gordon), 5 to 1, third. Time, 1:21.54. Nora Girl, Christmas Day, and Pussie also ran.

AUTOMOBILE NEWS AND GOSSIP

E. H. Sherwood, sales manager of the Mercer Automobile Company, was in the city yesterday for a short visit. Mr. Sherwood is a former member of the Mercer racing team, and speaking of the coming Savannah races, in which his company has four cars entered, he was optimistic. "I not only expect that we will win the Vanderbilt, but I also look for Hugh Hughes and his Mercer six to be in the money in the Grand Prize," said Mr. Sherwood.

The Barnard Motor Company has sold a Standard-Dayton limousine to Rudolph Kauffman.

The Wilson Company, local representative of the Cole, has been informed that the Cole car is to be equipped with a self-starting device.

The Packard "30" which was taken from the service department of the Lovell Company, local representatives of the car, was recovered yesterday. The car was found in Druid Hill Park, Baltimore, where it had been abandoned. Before leaving the car, the owner had drained the radiator to preclude any possibility of its freezing and cracking the cylinders. A description of the culprit has been obtained, and it is expected that they will be under arrest before to-morrow.

With the passengers on the Rock Island Limited into Denver as his excited audience, and the powerful mogul hauling the train in the role of competitor Barney Kane, an amateur driver, piloting a Losier six-cylinder car, furnished a real contest over the most successful of prairie land near Denver, during the recent reliability run of the Denver Motor Club. Kane's car had been designated as the pilot in the road race, and in addition to Nelson S. Gotshall, Denver agent for the Losier, carried a newspaper man and photographer from the Denver Times. The representative of the Fourth Estate had faithfully chronicled the story of the five-day trip through Colorado, in phrases and pictures in the local papers.

The burst of speed just before reaching Denver. The stretch of road between Bennett and Watkins, two small stations on the railroad track, running parallel to the river, was selected for the sprint. The limited refused to pause at the former town and Driver Kane set out to overtake it. By making seventy miles an hour, the locomotive's sixty, the tourists overhauled the limited, and were about 300 yards ahead by the time Watkins appeared on the horizon. At this point an obstinate prairie schooner and its straggling horse blocked the road and the race came to an abrupt end. The October run of the Denver Motor Club proved one of the most difficult although most successful contests staged in the West for some months. The cars entered in the tour passed through broken country in the vicinity of the Royal Gorge, worked terrific strains upon the motors and tires. The hill climb of a mile and a quarter up from the Arkansas River to Canon City made it necessary for the cars to cross and recross the stream running through Copper Gulch eighty-one times. In spite of the many difficulties several cars came through with perfect scores. The Losier six-cylinder car acted as pathfinder for the tour in the early part of the month, and was appointed pilot car in the contest.

Hard Game for Brooklanders To-morrow.

The Catholic University football squad, composed of twenty men and accompanied by Coach McDade and Trainer Weber, leaves this morning at 9 o'clock for Lexington, Va., where they will play Virginia Military Institute to-morrow afternoon. Captain Clancy is again in good shape and will be seen at left half back, and Hinchman, who returned to the game last Saturday, will be seen at quarter, and it is expected that this fact will greatly strengthen the team. McDonnell, who fractured a rib in the game last Saturday, will not be in the line-up at present. It looks as if his injury will keep him out of the game for the remainder of the season. Merritt, who has shown good form in the games he has played so far this season, will probably be seen in the half back position.

V. M. I. has a strong team this year and there is no doubt that C. U. will have a hard task ahead of them. However, the coach feels confident that his men will make a good showing, and are likely to spring a surprise on the Southerners.

Callahan Real "Comeback." Jimmy Callahan is sure the champion "comeback" of them all. Not content with having a great year as a player, he puts on the finishing touches to his grand showing by nabbing the job as manager of the White Sox for 1912. That record is a pretty tough one to beat.

BROWN AND WOLGAST MATCHED

O'Day Lands Fight for Lightweight Title.

New York, Nov. 15.—According to a telegram received this afternoon from Tom O'Day, the "Frisco fight promoter, Knockout Brown and Ad Wolgast have been matched to fight for the lightweight championship in "Frisco, either on Christmas day or New Year's. Dan Morgan, manager of Brown, received the message and hastily sent back his acceptance.

O'Day and Jimmy Coffroth have both been after the Brown-Wolgast match, and it seems that O'Day has landed it.
